The Bullard Elementary School Foundation's role is to advance academic excellence. The foundation's role is to fund elements of education that the County, State and PTSA are unable to provide. We are excited about helping our teachers better advise our students. We always ask our teachers before we plan our next project for funding. We work closely with the teachers and staff, and with the help from our community we will continue to grow and provide the necessary tools.

CCSD Foundation:
The Cobb Schools Foundation is the parent organization for the Bullard Elementary School Foundation and is a non-profit 501(c)(3) charitable organization dedicated to providing financial resources to enrich and enhance education in the Cobb County Public School District. Established in 1999, the Foundation is committed to sustaining the exceptional standards of Cobb County Public Schools. A Board of Trustees that is representative of the Cobb County community governs the Foundation, fostering the belief that community involvement in public education is essential to providing and sustaining the level of education that is expected in Cobb County schools.
